NOTICE ON SCHOOL CLOSURE DUE TO HAZE AND ONLINE LEARNING ARRANGEMENTS ON 16 OCTOBER 2026

Subject:

School Closure Due to Haze on Friday, 16 October 2026

Dear Staff, Students, and Parents/Guardians,

In accordance with the latest school closure directive issued by the Selangor State Education Department due to the current haze situation, and following confirmation by the School, Chinese Taipei School (Kuala Lumpur) will suspend physical classes on **Friday, 16 October 2026**, for one day. Online learning arrangements will be implemented to safeguard the health and safety of our students and staff.

Details

1. In accordance with the latest haze-related school closure notice issued by the **Selangor State Education Department on 15 October 2026**, the School will suspend physical classes for one day on **Friday, 16 October 2026**.
2. On the day of the closure, Kindergarten, Primary and Secondary School students are not required to attend school. Online learning and administrative arrangements will be implemented as outlined below.
3. Online learning will be conducted during the school closure. Class schedules, learning materials and online meeting links will be communicated separately by the respective class teachers or subject teachers. Students are requested to participate in online learning activities from home according to the arrangements provided.
4. As the school closure affects the scheduled Secondary School examinations, the examinations will be postponed. The revised examination dates and arrangements will be announced separately by the Academic Affairs Office. Students and parents are kindly requested to take note of the forthcoming announcement.
5. Kindergarten online learning will follow the schedules and arrangements announced separately by the Kindergarten. No online classes will be conducted for the Seed Class. Parents whose children are unable to participate due to family arrangements or other reasons need not worry, as teachers will provide the necessary learning support upon the resumption of physical classes.
6. Working arrangements for teaching and administrative staff, including online teaching, working from home and essential administrative duties, will be coordinated by the respective Heads of Department in accordance with the School's instructions and operational requirements.
7. Parents and guardians are kindly requested to make the necessary childcare arrangements and encourage their children to minimise outdoor activities while monitoring their health and the surrounding air quality.
8. The School will continue to monitor the haze situation and follow the latest instructions from the relevant authorities. Further updates regarding the resumption of physical classes or any changes to school arrangements will be announced through the School's official website, Facebook page and class communication groups.

We understand that this temporary closure may cause inconvenience, particularly to working parents who need to make alternative childcare arrangements. However, this measure is necessary to comply with the relevant authorities' directives and to safeguard the health and safety of our school community.

We sincerely appreciate the understanding and cooperation of all staff, students and parents/guardians as we work together to protect the health and well-being of our students and staff.
